B. Proveedores

B1. Términos clave

En esta sección, encontrará explicados los términos clave que verá en nuestro *Directorio de proveedores y farmacias*.

- Los **proveedores** son profesionales de salud y proveedores de apoyo, como médicos, enfermeros, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, servicios y apoyos a largo plazo (LTSS), suministros, medicamentos con receta, equipos y otros servicios.
 - El término “proveedores” también incluye centros como hospitales, clínicas y otros lugares que brindan servicios de atención médica, equipos médicos, y servicios y apoyos a largo plazo.
 - Los proveedores que son parte de la red de nuestro plan se llaman **proveedores de la red**.
- Los **proveedores de la red** son los proveedores que firmaron un contrato con nosotros para proporcionarles servicios a los afiliados de nuestro plan. Los proveedores de nuestra red generalmente nos facturan de manera directa por la atención que le brindan a usted. Cuando consulta a un proveedor de la red, generalmente no paga nada por los servicios cubiertos.
- Un **proveedor de atención primaria (PCP)** es un médico, auxiliar médico, profesional en enfermería, médico general, médico clínico de atención primaria o médico de medicina interna que le brinda atención médica de rutina. Su PCP conservará sus registros médicos y conocerá sus necesidades de salud con el tiempo. Su PCP también le dará una **remisión** si necesita ver a un especialista o a otro proveedor.
- Los **especialistas** son médicos que brindan servicios de atención médica en relación con enfermedades específicas o con una parte del cuerpo. Hay muchas clases de especialistas. A continuación, se mencionan algunos ejemplos:
 - Oncólogos, que tratan a los pacientes que tienen cáncer.
 - Cardiólogos, que tratan a los pacientes que sufren afecciones cardíacas.
 - Ortopedistas, que tratan a los pacientes con determinadas afecciones óseas, articulares o musculares.

Si tiene alguna pregunta, por favor llame a Superior STAR+PLUS MMP al 1-866-896-1844 (TTY: 711), de 8 a.m. a 8 p.m., de lunes a viernes. La llamada es gratuita. **Para obtener más información**, visite mmp.SuperiorHealthPlan.com.

- Es posible que necesite una **remisión** para consultar a un especialista o a un proveedor que no sea su PCP. Una **remisión** significa que su proveedor de atención primaria (PCP) debe darle su aprobación antes de que pueda consultar a una persona que no sea su PCP. Si no obtiene una remisión, es posible que Superior STAR+PLUS MMP no cubra el servicio.
 - No se requieren remisiones de la red en los siguientes casos:
 - Atención de emergencia.
 - Atención de urgencia.
 - Servicios de diálisis renal que obtiene en un centro de diálisis certificado por Medicare cuando se encuentra fuera del área de servicio del plan.
 - Servicios de un especialista en salud de la mujer.
 - Asimismo, si reúne los requisitos para recibir servicios de proveedores de salud para indígenas, puede consultarlos sin una remisión. Debemos pagar esos servicios al proveedor de salud para indígenas, incluso si está fuera de la red de nuestro plan.
 - Encontrará más información sobre remisiones en el Capítulo 3 del *Manual del afiliado*.
- También tiene acceso a un **coordinador de servicios** y a un **equipo de coordinación de servicios** de su elección.
 - Un **coordinador de servicios** le ayuda a administrar sus proveedores y servicios médicos.
 - Todos los miembros del equipo de coordinación de servicios trabajan en conjunto para asegurarse de que su atención esté coordinada. Esto significa que se aseguran de que las pruebas y los análisis de laboratorio se realicen una vez y los resultados se compartan con los proveedores correspondientes. También significa que su PCP debe estar al tanto de todos los medicamentos que toma para que pueda reducir sus efectos negativos. Su PCP siempre obtendrá su autorización antes de divulgar información médica a otros proveedores.

Es posible que Superior STAR+PLUS MMP no cubra el servicio o medicamento si no obtiene una aprobación.

Las excepciones a esta norma se aplican cuando usted necesita atención de urgencia o de emergencia, o diálisis y no puede acudir a un proveedor del plan, por ejemplo, cuando está lejos de su hogar. También puede consultar a proveedores fuera del plan para otros servicios que no sean de emergencia si Superior STAR+PLUS MMP lo autoriza primero.
