B. Proveedores

B1. Términos clave

Esta sección explica términos claves que encontrará en nuestro *Directorio de Proveedores y Farmacias*.

- **Los proveedores** son profesionales de la salud y proveedores de apoyo, como médicos, enfermeros, farmacéuticos, terapeutas y otras personas que brindan atención y servicios. Los **servicios** incluyen atención médica, servicios y apoyo a largo plazo (por sus siglas en inglés, LTSS), suministros, medicamentos que requieren receta médica, equipos y otros servicios.
    - El término proveedores también incluye centros como hospitales, clínicas y otros lugares donde se brindan servicios y equipos médicos, y servicios y apoyo a largo plazo.
    - Los proveedores que forman parte de la red de nuestro plan se denominan proveedores de la red.
- **Los proveedores de la red** son aquellos que tienen un contrato con nuestro plan para brindar servicios a los afiliados. Los proveedores de nuestra red, por lo general, nos facturan directamente la atención que le brindan a usted. Si utiliza a un proveedor de la red, usted normalmente no paga los servicios cubiertos.
- Un **proveedor de atención primaria** (por sus siglas en inglés, PCP) es un médico, un asistente médico, un enfermero especializado con práctica médica, un médico que practica la medicina general, un médico clínico de atención primaria o un médico especializado en medicina interna que brinda atención de salud de rutina. Su PCP mantendrá sus expedientes médicos y, con el tiempo, sabrá cuáles son sus necesidades de salud. Además, si necesita consultar a un especialista u otro proveedor, su PCP le hará una **remisión**.
- **Los especialistas** son médicos que proporcionan servicios de atención de salud para una enfermedad o una parte del cuerpo específicas. Hay varias clases de especialistas. A continuación, se presentan algunos ejemplos:
    - Los oncólogos tratan de pacientes con cáncer.
    - Los cardiólogos tratan de pacientes con afecciones cardíacas.
    - Los traumatólogos tratan a pacientes con determinadas afecciones óseas, articulares o musculares.
- Es posible que necesite una **remisión** para consultar a un especialista u otro profesional que no sea su PCP. “**Remisión**” quiere decir que su PCP debe otorgarle una aprobación antes de que usted consulte a otro proveedor. Si no obtiene una remisión, es posible que Superior STAR+PLUS MMP no cubra el servicio.

- No se necesitan remisiones de proveedores de la red para lo siguiente:
  - Atención de emergencia.
  - Atención requerida de urgencia.
  - Servicios de diálisis renal que usted recibe en un centro de diálisis certificado por Medicare cuando se encuentra fuera del área de servicio del plan.
  - Servicios de un especialista en salud de la mujer.
- Además, si reúne los requisitos para recibir servicios de proveedores de salud indígena, puede consultar a estos proveedores sin una remisión. Debemos pagar esos servicios a los proveedores de salud indígena aunque no pertenezcan a la red de nuestro plan.
- Para obtener más información sobre las remisiones, consulte el Capítulo 3 del *Manual del Afiliado.*

- También tiene acceso a un **coordinador de servicios** y a **un equipo de coordinación de servicios** que usted elija.
  - El **coordinador de servicios** lo ayuda a coordinar sus proveedores y servicios médicos.
  - Su **equipo de coordinación de servicios** o su equipo interdisciplinario de atención lo incluye a usted, a sus aliados elegidos o a su representante legal, al PCP, al coordinador de servicios, al coordinador de servicios y apoyo a largo plazo, o al coordinador de apoyo de planes de salud prepagos para pacientes internados (según corresponda), y a otras personas, según sea necesario. Todos los integrantes del equipo de coordinación de servicios trabajan juntos para garantizar que su atención esté coordinada. Esto significa que se aseguran de que se realicen las pruebas, se brinden los servicios de laboratorio y se compartan los resultados con los proveedores apropiados. También significa que su PCP debe estar al tanto de todos los medicamentos que usted toma para poder reducir los posibles efectos negativos. El PCP siempre le pedirá permiso para compartir su información médica con otros proveedores.

B2. Proveedor personal (PCP, por sus siglas en inglés)

Puede recibir servicios de cualquier proveedor que forme parte de nuestra red y acepte nuevos afiliados.

Primero, tendrá que elegir un proveedor de atención primaria (por sus siglas en inglés, PCP). Un especialista también puede desempeñarse como su PCP. También puede llamar a su coordinador de servicios, al 1-855-772-7075, de lunes a viernes, de 8:00 a. m. a 5:00 p. m. Es posible que fuera del horario

de atención, los fines de semana y los días feriados le pidan que deje un mensaje. Los usuarios de TTY deben llamar al 711.

B3. Servicios y apoyo a largo plazo (LTSS, por sus siglas en inglés)

Como afiliado a Superior STAR+PLUS MMP, usted puede recibir servicios y apoyo a largo plazo (por sus siglas en inglés, LTSS), como cuidado de la salud en el hogar, cuidado personal, servicios de casas de reposo y servicios comunitarios y en el hogar (programa diurno para adultos, atención de relevo, apoyo extendido para vivir en la comunidad, servicios de enfermería preventivos, atención de enfermería privada y otros servicios). Los LTSS ayudan a las personas que necesitan asistencia en las tareas cotidianas, como bañarse, vestirse, hacer la comida y tomar medicamentos. La mayoría de estos servicios se proporcionan en el hogar o en la comunidad, pero podrían proporcionarse en una casa de reposo o en un hospital.

Para acceder a los LTSS, llame a su coordinador de servicios, al 1-855-772-7075, de lunes a viernes, de 8:00 a. m. a 5:00 p. m., hora del centro. Los usuarios de TTY deben llamar al 711.

B4. Cómo identificar los proveedores de la red de Superior STAR+PLUS MMP

Es posible que necesite una remisión para consultar a un profesional que no sea su PCP. Para obtener más información sobre las remisiones, consulte la Sección B1 de este Directorio de Farmacias y Proveedores, en la página 10.

Debe obtener todos los servicios cubiertos de proveedores de nuestra red. Si utiliza proveedores que no pertenecen a la red de Superior STAR+PLUS MMP (sin nuestra aprobación o autorización previa (PA)), tendrá que pagar la factura.

Una **PA** es una aprobación de Superior STAR+PLUS MMP que debe obtener antes de recibir un servicio o un medicamento específicos, o de consultar a un proveedor fuera de la red. Si no obtiene la aprobación, es posible que Superior STAR+PLUS MMP no cubra los servicios.

Si tiene preguntas, llame a Superior STAR+PLUS MMP al 1-866-896-1844 (TTY: 711), de lunes a viernes, de 8 a. m. a 8 p. m. Es posible que fuera del horario de atención, los fines de semana y los días feriados le pidan que deje un mensaje. Lo llamaremos el siguiente día hábil. La llamada es gratuita. **Si quiere obtener más información,** visite mmp.SuperiorHealthPlan.com.

Esta regla no corresponde cuando necesita atención de urgencia o de emergencia, o servicios de diálisis, y no puede acudir a un proveedor del plan, por ejemplo, porque está lejos de su hogar.

También puede recibir servicios que no son de emergencia fuera del plan si Superior STAR+PLUS MMP lo autoriza primero.

- Puede cambiar de proveedor dentro de la red en cualquier momento del año. Si utilizó un proveedor de la red, no es necesario que siga utilizando ese mismo proveedor. En el caso de algunos proveedores, es posible que necesite una remisión de su PCP.
- Superior STAR+PLUS MMP trabaja con todos los proveedores de la red para adaptarse a las necesidades de las personas con discapacidades. La lista de proveedores de la red de este directorio incluye información sobre las adaptaciones que se ofrecen, según corresponda.
- Si necesita utilizar un proveedor, pero no está seguro de que se ofrezcan las adaptaciones que usted necesita, pueden ayudarlo desde Superior STAR+PLUS MMP puede ayudarle. Para solicitar asistencia, hable con su coordinador de servicios.
